

Excellence in Professional Education

Interview of a Merit Certificate (Mr. Hassaan Hussain Siddiqui)

Interviewed by GCA

QUESTION = Tell us about yourself in brief?

ANSWER = I am not a book worm kind of a student. I keep myself involved in social and recreational activities. But on the other hand, I give proper time to my studies as well.

QUESTION = Why did you choose Chartered Accountancy as a Profession?

ANSWER = Choosing the profession of Chartered Accountancy wasn't easy at all. I secured good grades in Inter Pre-Medical and all my family members wanted me to become a doctor. But, I decided to select CA as my profession because it is among the most prestigious qualifications in the world. A lot many people opposed my decision of becoming a CA. So I took

it as a challenge and decided to go for it and work hard enough to prove myself right and become a Chartered Accountant.

QUESTION = How did you plan your studies?

ANSWER = Once I study a topic, I keep on revising it every week. In all those areas where I find myself weak, I keep on practicing them.

QUESTION = To whom do you owe your achievements?

ANSWER = I owe my achievements to Almighty Allah. Moreover, I owe my achievements to my parents and my sister for keeping their trust in me and supporting me in every possible manner.

QUESTION = What is your advice to other students of Chartered Accountancy to excel in exam?

ANSWER = Passing exams isn't a big task. All we need to do is to put in a little effort. In fact a very little effort and it'll produce exceptional results. Understanding the core idea of every topic and retaining it in your mind will help you in passing your exams. There's no need of rushing here and there for different books. Stick to the ICAP's study text and question bank. Keep it simple and it'll surely help you. Proper time management is another important aspect.

QUESTION = Are you satisfied with education and training scheme of ICAP? If not, what are your suggestions?

ANSWER = Yes, I am completely satisfied with education and training scheme of ICAP. However, I suggest that ICAP should announce the results within a period of 30 days after the last exam. This will help the students to plan out their studies in a proper manner.

QUESTION = What do you want to do for the country in general and chartered accountancy profession in particular?

ANSWER = I want to serve my country in the best possible manner. I would love to bring a change in the entire political, educational and constitutional setup of the country, so as to make my country reach the top. Furthermore, I would like to bring some significant changes in the profession of Chartered Accountancy. A lot many people are unable to join this profession just because they haven't got an access to a good RAET. Therefore, I would like to bring in a setup which will enable each and every person to have an access to a good RAET.

QUESTION = To whom do you owe this enviable achievement i.e. your own hard work, your schooling / university / RAET/ audit training background, your parents or sheer luck?

ANSWER = The teachers of my RAET, my parents and my own hard work made me able to secure a merit certificate in Economics.

QUESTION = What in your opinion makes Chartered Accountant unique & special?

ANSWER = Chartered Accountants are unique and special because they are a complete package. Knowledge about statistics, math's, business management, law, economics, business communication, taxation and especially accounting, makes up a complete Chartered

Accountant. There's no other profession in this world which gives out the knowledge of all these subjects at a same time.
